

HARVEST FESTIVAL

1916

PREMIUM LIST

BISHOP, INYO COUNTY, CAL.
SEPTEMBER 28TH, 29TH AND 30TH

FESTIVAL OF 1916

The Harvest Festival for 1916 will be held on the 28th, 29th and 30th of September, and the Board of Directors of the Festival Association, and the various committees, are now energetically engaged in perfecting the plans for the event.

It is hoped to make the 1916 Festival the biggest and most successful affair of its kind yet given in the Owens Valley, but the Directors of the Association fully realize that this purpose can not be accomplished without the hearty co-operation and assistance of the people of the valley who "do things" and "grow things."

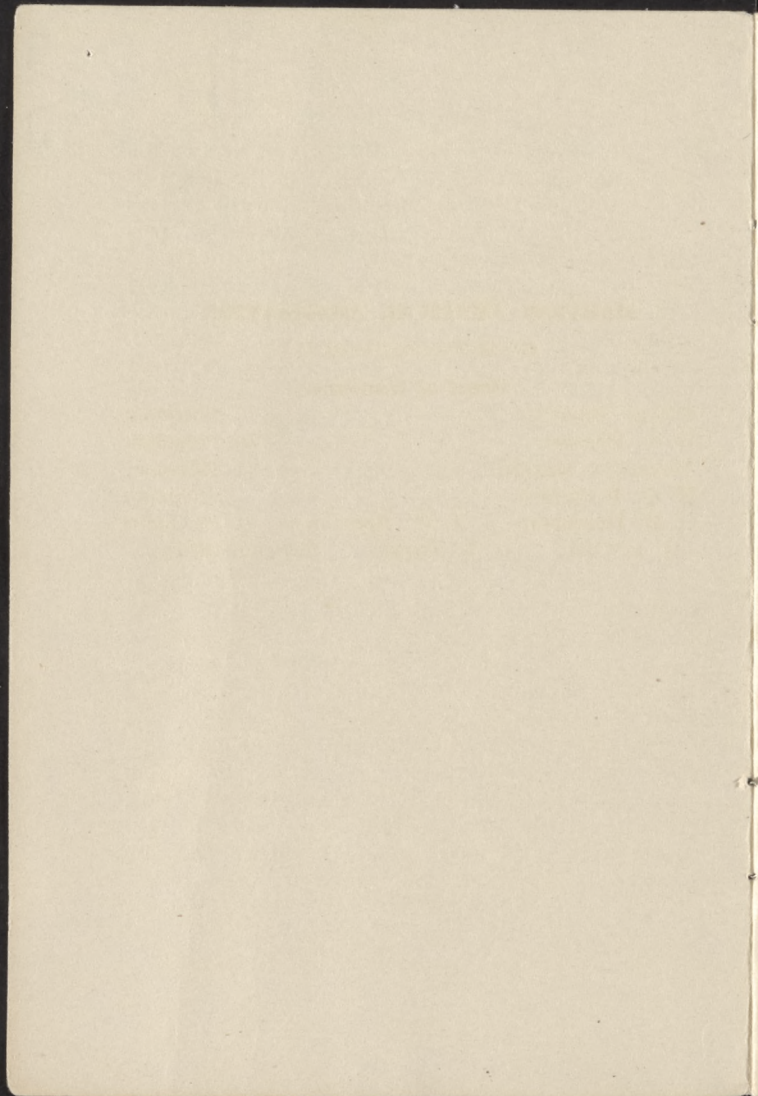

This co-operation and assistance can best be rendered by exhibiting some product of the ranch or home at the Festival.

Cash prizes aggregating over \$1,000 will be awarded to those whose entries are adjudged the best in the different divisions. A corps of experts from the University of California will act as judges.

You are urged to examine carefully the premium list and to become an active participant in the Festival.

It will be appreciated if you will indicate on the enclosed postal card what your entries will be. This will in no way bind you to make an exhibit but will greatly assist the Directors of the Festival in arriving at the amount of space, shelving, corrals, etc., required.
